To,  
The Chairman,  
De Indian Public School,  
Pocket-11, Sector-24, Rohini,  
Delhi-110085

Subject: - Adequacy certificate for Rain Water Harvesting system at Rohini, De Indian Public School, Pocket-11, Sector-24, Rohini, Delhi-110085

Sir,

Please refer to your letter dated 29.05.2019 and as per information provided by you, the rain water harvesting system constructed at your school has been inspected by the area JE and found constructed as per approved design of DJB. THE RWH system is adequate to harvest the catchment rooftop area of your premises.

You are further advised to keep the rain water harvesting system neat and clean and maintain the same periodically. The RWH system will be checked every year by this division.
